Subject: Reclamation Contract Needed, Alpine Gems, LLC, Big Dry Valley Quarry and Butler Valley Quarry, S/025/0015, S/025/0016, Kane County, Utah

Dear Mr. Lamoreaux:

The Division has completed reviews of the transfer requests for the Big Dry Valley and Butler Valley quarries in Kane County, Utah. These applications have been determined to be complete and accurate. However, before we can formally approve the transfer, we need to have a new reclamation contract signed, notarized, and submitted to the Division for approval. Please go to the Division's web site at www.ogm.utah.gov/minerals and download the Reclamation Contract (Form MR-RC-SMO) which is under the Bonding and Forms tab. Complete the contract for each of the permits and submit them to the Division. Once the Division Approves these contracts, the Division will issue final approval of the requested transfers and will provide you with a copies of the signed contract.

Thank you for cooperation in completing the permit transfers. Please contact Lynn Kunzler at 801-538-5310 or myself at 801-538-5261 if you have questions regarding this letter.

Sincerely,

Paul Baker
Minerals Program Manager
